Attention Artists:

Again this year the Wisconsin Department of Natural Resources is accepting entries for the annual Turkey Stamp Design Contest.

Enclosed you should find a copy of the "2008 Turkey Stamp Design Contest Reproduction Rights Agreement" and the "2008 Wisconsin Turkey Stamp Design Contest Rules". No changes have occurred in the contest rules this year but please read over the instructions carefully. **Entries will be accepted from November 1st until December 22nd 2006.** Judging will take place in early January at the annual National Wild Turkey Federation State Convention. Further information on judging will be sent out as quickly as possible as the deadline approaches.

Remember to use caution when mounting your artwork. In years past, some entries have had problems with the plastic covering sticking to the paint finish. Some artists have double-matted their artwork to help keep the plastic away from the paint. Also, remember to mail the "Reproduction Rights Agreement" in a separate envelope.

If you have any questions, please call the Assistant Upland Wildlife Ecologist at (608) 261-8458. Good luck and we anxiously await your entry!

2008 WISCONSIN TURKEY STAMP DESIGN CONTEST RULES

I. Contest Eligibility:

Any person 18 years of age or older who is a legal resident of the State of Wisconsin shall be eligible to submit an entry in the Turkey Stamp Design Contest. Only one (1) entry may be submitted by each contestant. Any member of the contest judging panel or any member of his or her immediate family is ineligible to enter. **Any person who has won the Turkey Stamp Design during the preceding two (2) contests is also ineligible.**

II. Contest Dates:

The contest to select the design for the 2008 Wisconsin Turkey Stamp shall be open for entries starting November 1st, 2006. Entries will be accepted any time after November 1st, 2006, but must be received or postmarked no later than December 22nd, 2006.

III. Restrictions of Subject Matter:

The design must be the artist's original creation and shall not be copied or duplicated from previously published art, including published photographs. The subject species shall be the **eastern wild turkey**. The subject will appear in some natural setting of the environment in which the bird is found in Wisconsin.

IV. Suitability of Entry for Reproduction:

Artists shall not be limited in the choice of colors or medium. The medium selected must be of permanent quality, such as pen and ink, oil, watercolor, etching or pencil and should be rendered with full attention to tone, detail and anatomical accuracy. Metallic paints and fluorescent paints should not be used, as the printing ink used to reproduce the actual stamps will not contain metallic particles or fluorescent properties.

Wisconsin Department of Natural Resources lettering will appear on the finished stamp, but DO NOT try to fit in the words on your entry.

V. Technical Requirement for Entry:

The design shall be horizontal in the exact proportion of 8" high by 10" wide. It must be matted to a size of 10" high and 12" wide. No lettering or scroll work including the artist's signature is permitted on the front or back of the design itself. The only visible identification mark on each entry at the time of judging will be the number assigned the entry by the contest coordinator.

VI. Submission Procedures:

Every entry must be mounted with white matting as described in Section V above and protected by a covering of non-glare mat acetate or other clear material. No entry will be accepted that is in a wooden frame or is under glass. **WARNING: Over the last few years many entries have had problems with the plastic covering sticking to the paint finish. Consider this when covering your art. You may wish to mat to double thickness.**

Each entry is to be securely wrapped and mailed by registered or certified mail to: Wisconsin Turkey Stamp Contest, Bureau of Wildlife Management (WM/6), P. O. Box 7921, Madison, WI 53707-7921. Or, if hand-delivered, to the 6th floor of the GEF 2 state office building at 101 S. Webster St. in downtown Madison. The top one-half of the third page of the application form must be taped to the back of the entry on the outside of the acetate or clear covering. The bottom half is to be mailed with your entry.

Each contestant must also send by **separate mail or hand delivered**, the signed Turkey Stamp Design Contest Reproduction Rights Agreement certifying the originality of his or her entry and acknowledging his or her acceptance of the terms and conditions governing the exclusive right of the Wisconsin Department of Natural Resources and The National Wild Turkey Federation to reproduce the winning artwork. All entries will be processed by WDNR based on the date of receipt. A contest coordinator

will supervise the processing of entries, assign numbers to each entry, set up displays for judging, and supervise the return of all entries at the completion of the contest.

VII. Insurance Needs for Entries:

All contestants are advised that it is their responsibility to obtain adequate property insurance for their respective entry. NEITHER THE DEPARTMENT OF NATURAL RESOURCES NOR THE NATIONAL WILD TURKEY FEDERATION WILL INSURE ANY ENTRY IT RECEIVES AND WILL NOT BE HELD LIABLE FOR THE DAMAGE, LOSS OR THEFT OF ANY ENTRY.

VIII. Failure to Comply with Contest Rules:

Any entry that fails to comply with any of the requirements of the contest shall be disqualified and will not be considered by the judging panel.

IX. Selection of Judging Panel:

There will be a panel of three (3) to five (5) judges appointed by the Turkey Stamp contest coordinator. The judges will be selected to provide a representative cross-section of individuals with expertise and an interest in wild turkeys or wildlife art. Judges selected will serve without compensation.

X. Date and Location of the Contest Judging:

Selection of the contest winner will take place in January. The judging will be held in conjunction with the annual meeting of the Wisconsin Chapter of the National Wild Turkey Federation.

XI. Judging Procedure and Scoring:

All entries will be judged on anatomical accuracy, proper habitat setting, artistic composition and perspective, and suitability for reproduction. They should lend themselves to reproduction with the fullest possible attention to tone and detail.

The judging procedure will be as follows:

Step 1: All entries meeting the design contest rules will be examined by the judging panel. Each judge may nominate an unlimited number of entries for inclusion in the second step of the judging procedure.

Step 2: The judges will rate each entry on a scale of 10 to 1 (10 being high and 1 low). The entries receiving the 10 highest scores will be advanced to the third and final step.

Step 3: The judges will then rank the 10 "finalists" listing their choices from 1 (high) to 10. The entry with the lowest total shall be declared the first place winner.

In case of ties in either Steps 2 or 3, judges will re-judge only those entries tied for last place in Step 2 or first place in Step 3 according to the procedures listed under that step.

Scores in all steps of the judging procedure will be tabulated by the contest coordinator. The selection of the winning entry by the judges will be final. All contestants will be notified of the name of the winning artist and design.

The first place winner will receive a special plaque and a select number of stamp reproductions created from their winning entry. The nine (9) runners up will receive a certificate of recognition.

XII. Top 10 Entries:

Following the contest, the Department has the option of holding the top ten (10) entries for publicity purposes for up to six (6) months. All entries will be returned to their respective artists.

1. Neither the WDNR nor the NWTF shall be held liable for any damage, theft or loss which may occur to any entry. It is advisable that contestants insure their entry and send it by registered mail.
2. The winning design, as prepared by the artist and submitted to the WDNR and the NWTF, may be retained by the WDNR and the NWTF until such time as plates of the 2008 Turkey Stamps and/or Prints have been completed by duly contracted printing vendors.
3. The artist understands and agrees that the top ten (10) entries in the contest may be retained by the WDNR for a period not to exceed six (6) months from the date of judging. The WDNR will return all entries to their respective artists.
4. The WDNR and the NWTF, as authorized by WDNR, are granted the exclusive right to produce turkey stamps and prints through duly contracted printing vendors which may be copied and reproduced by WDNR and the NWTF, and such copies and reproductions may be published, sold and otherwise distributed exclusively by WDNR, the NWTF or its designees. Print production rights will return to the winning artist 90 days after the judging date unless the NWTF informs the artist in writing that NWTF will retain these reproduction rights.

It is further understood and agreed that the artist maintains ownership of the original artwork even though all reproduction rights belong to the WDNR and the NWTF. Compensation shall be paid to the winning artist by the NWTF and a per print signature fee paid by the NWTF on an as sold basis, provided that NWTF retains its option to produce prints from the art.

I agree that any consideration or compensation paid to me under this agreement shall be forfeited for violation of this condition.
9. I declare that my entry has not won any previous state turkey stamp art contest.
10. I understand that lettering and possibly the WDNR logo will be added when the stamps are printed.
11. I certify that I have not been convicted of bribery or attempting to bribe an officer or employee of WDNR or the

12. I declare that I am 18 years of age or older and I am a resident of the State of Wisconsin.

This provision shall include, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other form of compensation; and selection for training, including apprenticeship. Except with respect to sexual orientation, the artist further agrees to take affirmative action to ensure equal employment opportunities. The artist agrees to post in conspicuous places, available for employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of the nondiscrimination clause.

Contracts estimated to be ten thousand dollars (\$10,000) or more require the submission of a written affirmative action plan. Contractors with an annual work force of less than ten (10) employees are exempted from this requirement.

14. If the artist ceases to exist, in fact or by law, the WDNR and the NWTF may immediately terminate this agreement and without waiving any remedies available to it, perform the agreement.
